I would like to grab this opportunity to share our products to your beloved Saranhon.

It is my great pride and honour to be part of the vibrant celebration of our culture and food. Also to be part of the fast growing municipality through your able leadership.

RE: Letter of Intent for Sulay Basya Food Kiosk 2026

Dear Mayor Aying,

In celebration of the **25th Silver Anniversary of Sulay Basya**, I am writing to formally express my enthusiastic interest in applying for a food kiosk slot for the upcoming festivities.

Streetbun's Food Hub, based in Poblacion, Concepcion, has become a favorite destination not only for our local community but also for visitors from neighboring municipalities. We are best known for our signature **Vibrant Colored Burgers**, crispy **French Fries**, and premium **Iced Coffee**.

As Sara continues to thrive as a fast-growing municipality under your visionary leadership, I would be deeply honored to bring our unique culinary offerings to your beloved Saranhon. We don't just aim to sell food; we aim to contribute to the vibrant atmosphere of the celebration by providing high-quality, Instagrammable, and delicious snacks that people of all ages will enjoy.

It would be a great pride and honor for our team to be part of this historic silver anniversary and to showcase the spirit of Concepcion's flavors in the heart of Sara.

Thank you for considering our application. We look forward to the possibility of contributing to the success of Sulay Basya 2026. More power to you and the Municipality of Sara!

Respectfully yours,

Chealsie Faith Balsamo
